1. I am coming and I am coming in power and few are ready for the display of My power, any display of My power. So many are so far removed from My face and intimacy with Me. They are intimate with themselves and that which satisfies their flesh and their desire for status, even in My church and among My people that profess My name. So far away, so far away, so far away. Ted, they will be surprised and shocked and stunned and unready for Me. And Ted, they'll be sorry, as the five virgins without oil [Mat 25:1-13], they will have played and danced and watched TV their life away, their opportunity away, and sad will be their end.

2. I am so much and I am so powerful, so big, creative, creative. I am creativity. I am creativity and I love to create. I love to fulfill. I love to excite. I am emotion Ted. So many don't know that.

3. Look at the fruit of My Spirit, Ted, turn there, look it up. Read it, now, even now. Ted, look at those words. What do they mean? What do they say? They say what they mean. The fruit of the spirit is love. Ted, fruit of Me is love, love Ted. Where is My love in My body? Where is their love for Me and for others and for My kingdom and My appearing on earth, in their circumstances and daily affairs of life, their life? Ted, where is there love for Me?

4. It's inundated by voices other than Mine, reducing Me to insignificance in their lives, insignificance. I am not truly, not really, significant, in most people's eyes. I am considered a thing, an object, an appendage.

5. You've talked about Me being an appendage to most lives and hearts who profess My name and you're right; appendage, add-on, that's all, not really significant; relegated and reduced to a minor role, if any.

6. Where is the love? Where is the joy? Where is the joy in My people? Ted, so many depressed, discouraged, and in despair. My family needs repair, restitution, healing, oh so much. So many are so far from My design for them and what I have given, provided, made ready, and available to them, for them.

7. Ted, where is the peace in My family, My lambs, My children? Where Ted? Ted, there is none, none, in many of My family. For they are robbed and led by freedom-stompers, manipulators and controllers who talk of Me and freedom and development and maturity, but talk two ways, sending two and multiple messages that result in confusion and rob clarity from clearing the senses of My presence.

8. Where is the longsuffering in My body? Suffer? Suffer? Longsuffering? Ted, where is it? What is it, most will ask, having repeated only words and not knowing their content, their power. Ted, longsuffering is when people suffer long. It's when things are

not as they desire but they worry not, condemn not, judge not wrongly, they wait while they are imposed upon, they give each other time and space and place, even when they don't deserve it. Ted, look up longsuffering and study it.

9. I must move on for your time is short with Me today. Your friends come to love you and love on you and share your joy and festivity. Enjoy them mightily. I brought them. I brought them. I brought them. Enjoy them. My hand is upon them and I'm not finished with them yet. Tell them, tell them, tell them, and be encouragement and salve to them.

10. Ted, gentleness. Where is gentleness in My body? Where is the fruit of gentleness in My body, for My body, for the lost sheep of Israel? Where Ted? Where is the fruit of gentleness? Why has arrogance superseded gentleness in My kingdom? Ted, not of Me, not of Me, no, not of Me, never. My spirit brings gentleness and the fruit of gentleness yields much other fruit for which My people thirst and hunger and seek satisfaction so many other ways, in futility, futility, with futility.

11. Where is goodness Ted, in My family? Goodness, being good, doing good, thinking good, oozing goodness without self righteousness and selfish self-promotion? Where is goodness?

12. Where is faith? Ted, where is faith in My people? Oh, oh, oh. Oh Ted, so little faith, so little, so little, grievous Ted. Have I not given to all a measure of faith, a seed in them that can grow if they will water and nourish it? Oh, what they can do and be and become when they let Me flow into them so My fruit can come out of them.

13. Ted, some say they are faith people. Where are My love people? Where are My joy people? Where are My gentleness people? Where are My longsuffering people? Ted, why aren't My faith people all these things and more?

14. Ted, you don't use Me. You don't use Me. They don't use Me. They love Me and let Me use them. Some are so confused. I will teach you much on this for great confusion abounds about My gifts, My fruit, My vineyards and the vines in My vineyard.

15. Where are My meek Ted? Where are My meek? Where are those who know what meekness is today, today, today? Where are My powerful? Who are the meek? So few, so few, so few, and so many are called, gifted, anointed, appointed, and Ted, I wait. Meekness is of Me, as are all My fruit. And meekness abounds for all who will eat at My table. Meek, Ted. Powerful—knowing exactly when to wait and when to move, Ted, upon My voice, My command, My gentle urging.

16. Temperance is in short supply. Liberality is the mode of the day, even in My house and My family.

17. Many will see Me and wonder what to do with Me. Horror will be upon their face for I fit not their mold. 'A man of sorrows, acquainted with grief' [Isaiah 53-3]. 'The chastisement of our peace was upon him, and by his stripes we are healed' [Isaiah 53-5]. Ted, they don't know Me by that name, by that phrase, by that picture. They know Me

as far removed, powerless, and render Me worthless to change the powers of nations and forces controlling their circumstances.

18. Ted, I have given, given, given, and now I come and I reign in power and so many will be shocked at My clothing, My words, My power, and who I use to carry out My bidding, My desires—Father's will.

19. So selfish are so many. No fruit, no fruit, no real fruit flowing out of their lives, only sustained levels of increasing liberality where seeking to serve self is preeminent.

20. My family languishes for My fruit. I have so much on My table for My leaders and followers and every single heart that will come partake. And I want for them to partake directly of Me so they can bear fruit to their neighbor and nourish their friends and acquaintances and teach Me to all. Teach Me to all, teach Me to all in simply being who I am, being Me from My table to their hearts.

21. How can My family be nourished without My meat and My fruit and My milk? My milk I give to all bar none, and they choose to enter into Me for My meat and My fruit. They choose. They choose. So few choose what I have provided and I call out to them now to partake of.

22. Where are My leaders who will lay down their life for their sheep? Where are My leaders of intercession who build hedges of protection around their flocks and destroy the works of the enemy in their lives?

23. Where are My people of fruit? Where are My people of meat? Where, oh where, are My leaders, My leaders, My leaders, who lay down their lives for those they lead? Ted, so many have it backwards, backwards, totally backwards.

24. Leadership is intercessionship, Ted. Tell them, blare it, declare it, live it, repeat it, pervade it into all you do and say, teach, and preach. Those who will lead and not intercede are not worthy of leading in Me. Those who care for their own bellies are not worthy of leading My lambs and representing Me to My little ones. And Ted, I am ripping them out of power. You will see. You will see and all will see. I'm tired of being misrepresented.

25. I told you judgment begins at the house of god and judgment I am. There is a time for all to be judged and for many, My leaders who instruct people of Me, move in My name and rob and destroy Me in those they lead, and taint their messages and teaching for self-serving purposes and money and power and status, oh Ted, they stink so bad.

26. I am coming in power and I am looking for purity, men and women, boys and girls, who have examined themselves and sought the blood of the lamb, opened to Me and My table, in purity, purity, purity. And Ted, are correctable, teachable, trainable, by Me, by My Holy Spirit, from My mouth to their heart. And those hardened souls who don't change will reflect My wrath, and they don't even begin to know Me moving in My wrath.

27. Didn't I say better for those who led My lambs astray to have a millstone about their neck and drowned? [Mat 18:6] Ted, much responsibility you bear for I bare to you, for you have bared to Me, and you walk in power and authority and position of counsel to many, and Ted, you must bear much fruit and not pad your pocket of self-promotion. I will promote you and I will promote all who come to Me, for Me, and come in purity and lead as I say lead, in love, in joy, in peace, in gentleness, in longsuffering, in peace and meekness and faith, Ted, faith.

28. I come and I come to the lowliest of the low. I come to the receptive heart. I come to nimble hearts, and those inflexible, hard hearts will I break, and sorrow will be their name.

29. I give you My words for I want more fruit from My table to be passed to My family, for nourishment of My people, My family, to My family. I want them to nourish each other with My fruit, My fruit, MY fruit.

30. I will deal with meat later. I'm addressing fruit, fruit, fruit—fruits of Me, for the nourishment and enjoyment and fulfillment of My staff, My house, My workers, My leaders, My followers, My people, My every person who will, from the lowliest to the greatest to the lowliest.

31. I don't work like you. I don't work like flesh. I come in My way and do what I want done. I come in love. I come in wrath. I always come in judgment for even in altogether-tender-loving-kindness and never-ending-mercy, there is judgment for Me to come, judgment for Me to stay, judgment for Me to leave.

32. I am judgment. I am love. I am fruit. I am meat. I am and I am has spoken about My fruit and how much I want My fruit to increase in My family, to My family.

33. Tell every man, woman, boy and girl, to let My fruit come out of them to each other, in honor, respect and power, My power. For it's My fruit and it's fruit of Me sayeth God. I am fruit. I am meat. I am provision and Ted, these are not all separate. They're one. They are one as I am one and we are one. A great truth here Ted. So many miss it, miss this, but Ted, you won't miss it, you will get it more and more and teach and train My lambs to roar, to stand up and roar for Me and tender be, yet powerfully move in My earth.

34. My fruit, for Me, for My family, My family, My family. Ted, thank you. Thank you for not shrinking back from My word Saturday on thinker/mind versus spirit/soul. Ted, fruit, fruit, fruit.

35. From milk to fruit to meat. Share My fruit to the fruity. Share My fruit with the fruitless. Share My fruit with the meaty, to further enjoy My meals of spirit together.

36. Fruit increase. Fruit increase. I call your fruit to increase. Know Me, come to My table for My fruit, for your fruit, for their fruit, for all our enjoyment, sustenance, fulfillment, friendship, and Ted, power.

37. Fruit increase. Fruit increase. Fruit increase. And Ted, intercession will increase. Leadership will increase. Followership will increase. Followership will grow into leadership and leadership will grow into intercessionship and all will grow and all will be glad, glad, so glad, so very happy, with peace that cannot be pierced by evil, sustained in maturity of Me, nourished by all and every member of My family, My family, My people, My own, Mine, Mine, Mine, precious ones, lambs, precious of the precious.

38. Thank you. Thank you precious Ted. I love you. Tell them your thoughts on brushing your teeth and changing toothpaste. Tell them of your desire for emotion from Me. Tell them of your quest and questions for Me and incite them to come to Me directly for what I want to give them.

39. Invigorate, motivate and call them to life and much fruit in the adventure I have for each one that will trust Me, trust Me enough, trust Me enough, to call them and walk with them, Ted, off their map, out of their comfort zone, out of their old life into Mine, for them.

40. So much joy, fulfillment, so much emotion, deep, deeply satisfying emotion, from My hand to their heart, their soul, their life.

41. I love you. I love you. I love you.
Blessed be the Most High God.

42. To the lowliest, I come.
I come.
I come to all.
I come now.
And glad you will be for having Me in your heart, serving Me, obeying Me, living My design for you, and writing My words.
